

AMENDMENTS TO THE DRAWINGS:

Attached hereto is one (1) new sheet of drawings, which includes Fig. 6. Fig. 6 is a schematic cross-sectional view of an operating device for a lifting platform. Fig. 6 illustrates that a housing 1 may be fixed in sunken manner in a floor separate from and adjacent to a vehicle lifting platform 30, which is illustrated schematically. No new matter has been added.

Attachment: One (1) New Sheet
